ANNUAL GENERAL MEETING
WILL BE HELD AT
KING EDWARD HALL at 2.30 pm
Wednesday 17th April 2019.

Following the AGM reports will be:

**Presentation of Conservation
& Design Awards 2019**

The Society is proud to introduce our annual Conservation & Design Awards which aim to acknowledge the efforts of individual residents who embark on building work, using thoughtful design and materials that enhance the property and retain the intrinsic character of the area.

The Awards will apply to small projects including conservation, restoration and repair, as well as larger projects such as new build and extensions. We believe it is important to embrace change within our historic tree-lined village and award high quality craftsmanship in both old and new.

**After the presentations there will be a short illustrated talk
By Ian Gledhill on Art Nouveau & Art Deco**

Please join us after the meeting for a glass of wine.

All are welcome including non-members.
